

Giuliana Somma, Assistant professor, PhD.

Address: DPIA, via delle Scienze 206, I-33100 Udine
Phone: (39) 432 55 8053
Fax: (39) 432 55 8052
E-mail: giuliana.somma@uniud.it

Academic steps:

2005 Assistant professor
2004 Postdoctoral Researcher at the University of Udine.
2002 Ph.D. degree in Structural Engineering at the University of Florence.
1998 Master degree in Civil Engineering at the University of Udine, (score 110/110)
1992 High school degree in classical studies (score 60/60).

TEACHING ACTIVITY:

2006/07-nowadays *STEEL CONSTRUCTION*, LM Civil Engineering, University of Udine
2011/12-nowadays REINFORCED CONCRETE CONSTRUCTION, LT Architecture, University of Udine
2005/06-nowadays REINFORCED CONCRETE CONSTRUCTION, LT Civil Engineering, University of Udine

RESEARCH ACTIVITY:

1999 – nowadays Structural behavior of several structural elements
Structural behavior of reinforced concrete beam-column joints under seismic actions
Analysis of steel and composite concrete-steel structures
Analysis of the structural properties of innovative concretes made with recycled or waste materials

Author of more than 40 scientific papers
